JANOUÉIX 98

Large Label choices & OEM

✓ Each year, we are awarded medals at different wine competitions and challenges

Wine Producer : Traditional Methods

- **Our wine-growing practices keep with traditional methods and respect for the environment.**
- **From pruning to harvesting, our experienced team gives its best to reach a high quality.**

- **Harvesting is done 100% by hand, as well as the selection of the best grapes.**

Wine Producer : Sustainable Vineyards

- **We produce wines typical of their soil and subsoil, in respect of the appellation.**
- **We use sustainable practices, natural fertilizers, and do much of the work by hand.**

- **We joined a specific research department of viticulture and agriculture to improve our practices.**
- **We are committed to a certification process for improving ecological practices: "Haute Valeur Environnementale".**

Wine Producer : In the Cellar

We are using cutting edge technology to preserve the identity of our wines.

Ageing is done in French oak barrels made by Darnajou and Sylvain coopers, which are regularly renewed.

There are almost 1000 barrels in our cellars.

Fine Wine Merchant: Petits Châteaux

✓ **We select unveiled & petits châteaux with high quality and a good value for money.**

✓ **We bottle/label the wines or purchase estate-bottled wines "mis en bouteille au château".**

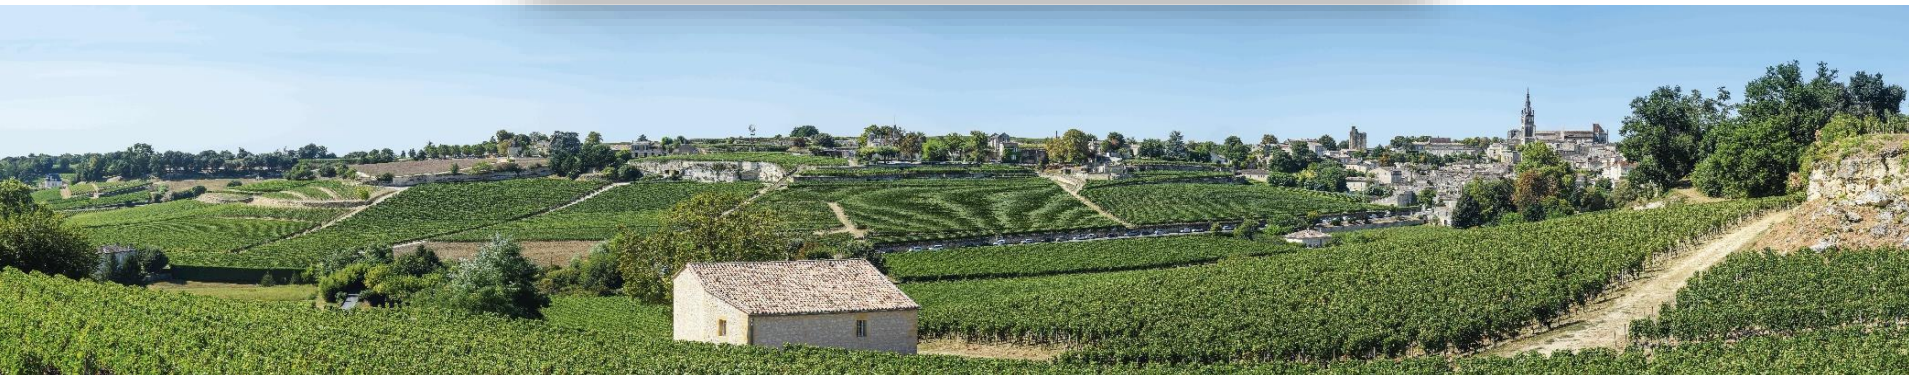

✓ **We follow these wines from vintage to vintage, and for many of them we have the exclusivity.**

Fine Wine Merchant: Great Growth

- **We select and buy classified growths “en primeur”.**
- **Here is a non exhaustive list of some of the Châteaux we stock:**
Petrus, La Conseillante, Figeac, Durfort Vivens,
Cheval Blanc, Beauséjour HDL, Sociando Mallet,
Carbonnieux, Guiraud, Ducru Beaucaillou...
- **Feel free to contact us for any specific wine and vintage you may be interested in!**

**Proud of our heritage,
we are definitely looking ahead to the future.**
